Three Locations

Riverview Rehabilitation was established in 1992 to respond to the growing needs of area residents for convenient, readily accessible outpatient therapy services.

Today, Riverview Rehabilitation has three convenient locations, including:

Riverview Rehabilitation Center

in Riverview's Bethke Building at 1041 Hill Street in Wisconsin Rapids.

This 10,000-square-foot facility includes:

- ♦ Large gymnasium with leading-edge diagnostic and rehabilitation equipment
- ♦ Individual treatment/exam rooms
- ♦ Biodex Balance System to improve balance and weight shift
- ♦ Biodex Unweighing System to improve the quality and speed of walking
- ♦ Bathroom and kitchen training areas for clients with functional disabilities
